ACTRESS/DIRECTOR/ EDUCATOR

## CHILDRENS EXPERIENCE

### ST.PETER SCHOOLS – SPEECH COACH

(2015-2019)

I worked as a Speech Coach for St. Peter Schools. I have coached the categories: Duo, Humorous, Drama, Prose, Storytelling, and Poetry. In collaboration with my talented speech kids and coworkers, we have been able to establish a successful team with many participants advancing to state tournaments with high placements.

### SUMMER THEATRE CAMP - FOUNDER

(Summer 2017-2018)

I created Randolph's first ever summer arts camp. This week-long camp included singing, dancing, acting, and art activities that teach 4th-6th graders the basics of theatre. At the end of the week, the kids put on a performance showcasing all that they learned.

### ACLE -TUTOR

(Summer 2018)

I worked as an English tutor in Italy for an organization called ACLE. Through theatre-based activities, we worked with kids of all ages and developed their theatre abilities and confidence. This experience of international education gave me the confidence to work with those of another culture while providing me with a once in a lifetime learning opportunity.

### YOUTHWORKS - KIDS CAMP COORDINATOR

(Summer 2017)

I had the opportunity to work as a Kids Club Coordinator for an organization called Youthworks in Rosebud, South Dakota. As a coordinator, I was in charge of planning activities for kids ages 5-13 and daily activities for teenagers. These activities include arts and crafts, songs, writing, and skits. Through this outlet, the community children learned about manners and positive encouragement. By facilitating the teenagers through workshops and activities, a program was created through the arts.

### DRAMA DRIVEN - FOUNDER

(2013-2015)

Drama Driven is a club I started when I was seventeen. I created a one act theatre troupe that goes out into the community and performs for those who do not always have access to theatre. We performed at places such as nursing homes, children's hospitals, homeless youth shelters, and women and children's shelters. As the director, creator, and organizer of this group, I was able to see first-hand, the difference theater can make.
